

Campo di Bocce *of Livermore*

Private Patio Buyout

Patio Buyouts are the perfect location to host 100-175 guests looking for an outdoor event. Events with 100 or more guests Sunday -Thursday or 120 Friday and Saturday will have full use of the patio exclusively.

Patio events will be served with food and beverage stations. The station menu starts at the base of \$53 per person prior to a 5% Operational Fee, 17% Service Charge and sales tax are applied, and you'll find that menu attached here.

Exclusive events will be available to you during the time frame of your choosing, either 9am-4pm or 5pm to close and rental fees for either of these time frames are \$1,800 with a 5% Operational Fee to apply.

Included in your event will be the use of our four world class bocce courts, all the equipment for bocce and a bocce instructor to give your guests a lesson.

The outside patio bar allows guests to remain in their private event and enjoy beverages. The bar can be designed to provide any beverage selections the host would like to offer their group.

For the enjoyment of all your guests we offer two beautiful fireplaces. We also offer lots of shade and many space heaters to keep guests comfortable during your outdoor event.

You are welcome to bring in outside entertainment if you so choose and I'll be happy to customize the set-up and flow of your event to your liking.

A \$2,000 non-refundable nontransferable deposit is required at booking.

Stations Menu Packages

The Chef will select a variety of items to be served at each station. The stations will be out the duration of your event and replenished as needed.
