

Three Course Meal & Bocce

This event allows 1.5 hours in our restaurant for your dining experience, and we recommend an additional 1.5 hours on our world class bocce courts. The menu provided is a beautiful three course menu you design with our event coordinators. Whether you choose bocce before or after your meal we can design your event especially for you. For your dining experience we offer “Family Style” or “Buffet Dining” service *depending on your group size.*

Family Style - just like Mom would serve it. Large bowls and platters of your selected food passed served in courses around your table.

Buffet Style meals are served on a personalized buffet line.

Our staff will attend to all your food and beverage needs while you are dining and playing Bocce. Our bocce instructors will provide lessons to all your guests at the beginning of your bocce time. All bocce equipment is provided for your guests. Our courts are designed with benches on both sides of the courts for the shy on lookers to relax and watch the games.

See Event Menu below for food and beverage pricing.
